

The Parish of
Greater Whitbourne

Your church within your village...

Is it important to you?

There are now four Churches in the Parish of Greater Whitbourne – at Upper Sapey, Edvin Loach, Tedstone Delamere and Whitbourne.

Did you know that it costs the Greater Parish nearly £30,000 a year to support and maintain them all? (For 2016 the figures were Whitbourne £12,500, Edvin Loach £6,400, Tedstone Delamere £5,400 and Upper Sapey £3,000.) This is not counting the contribution each makes to the cost of a Rector, nor major repair projects.

Regular worshippers amount to about 60 people across the four churches. Congregations are stable but not getting any younger! Like many Churches, we do however see large attendances at Christmas and Easter and particularly at important occasions like Weddings, Christenings and Funerals. From that, we conclude that there are many people who appreciate having the Churches available for important festivals and celebrations.

Each contribution towards covering the above costs is deeply appreciated. However, the burden of paying for them is falling on fewer regular givers. Looking ahead, we need to plan how to meet the costs of keeping the Churches alive.
